Chairperson-RPM Group of Schools

From Chairperson's Desk...

The Function of Education is to teach one to think intensively and critically, Intelligence plus Character -- that is the goal of True Education.

—Martin Luther King ,Jr.

Dear Parents,

Education is a Chariot which takes the nation to the journey for overall development. Education is considered to be powerful instrument of bringing desirable changes for the betterment of the society and world. *"Education as a way of life"*- Our students approach the school as the facilitator and incubator to a life-long process of learning. Everything in our school is designed around this holistic approach to education; as our teaching methodologies are focused on experiential learning that fosters learning and growth of every individual. This view of education as a way of life enables our students and teachers to continuously enrich themselves with the skill and knowledge necessary to succeed in the 21st century. In order for our students to become leaders, they need an education that does not end in the classroom. Our school is therefore the incubator of leaders with a universal outlook and a lifelong passion for learning. On the Auspicious occasion of Navratras, I pray to Goddess Durga to Shower her Blessings upon you all and enlighten you with immense power, wisdom, positivity and prosperity.

Principal's Message

"The whole purpose of education is to turn mirrors into windows"

The school plays a crucial role in shaping a child's future. Not only does this include the provision of education and ensuring learning, but moulding the character, morals, and value system of the child as well. A school provides the foundation needed to view the world as a limitless space providing innumerable opportunities to shine. We educate our children to change the world through peace, empathy and fraternity and place great emphasis on inner values. We are focussed on a well-rounded and effective educational practice needed for the capacity-building of our children. We look forward to working together to support every child to fulfil their dreams and ambitions in their successful journey of leaning!

हिन्दुस्तान की है शान हिन्दी, हर हिन्दुस्तानी की है पहचान हिन्दी, एकता की अनुपम परम्परा है हिन्दी, हर दिल का अरमान है हिन्दी।

गत वर्षों की भांति इस वर्ष भी हिंदी भाषा को सम्मान देने हेतु 6 सितंबर से 14 सितंबर तक हिंदी पखवाड़े का आयोजन किया गया व 14 सितंबर 2022 को हिंदी महत्ता को दर्शाने हेतु हिंदी दिवस भी मनाया गया। इसके अंतर्गत पोस्टर का निर्माण, कविता वाचन, स्वरचित कविता लेखन, शब्द सीढ़ी, प्रश्नोत्तर संबंधी परीक्षा आदि अनेक गतिविधियों का आयोजन किया गया। इन गतिविधियों में छात्रों ने पूरे उत्साह से भाग लिया व हिंदी भाषा के उत्थान में सहयोग देने का प्रण लिया।

हिंदी भाषा नहीं, भावों की अभिव्यक्ति है। यह मातृभूमि पर, मर मिटने की भक्ति है।।
