Every child has an innate potential that when tapped and nurtured can help him soar to unimaginable heights. It is for this reason that school with its insignia of-'We nurture talent' and try to unearth the hidden talent in each child and optimise their

aptitude to the fullest. The training of mind, body and spirit is the richest endowment that any school can give. We believe and work towards the cultivation of human based garden which if neglected can easily become a wilderness, but if cultivated rightly can become a thing of infinite beauty and joy.

Dear students – always remember that nothing stays forever-neither success nor failure. The only thing that is constant in life is the change. We have to accept the changes and challenges of life and be mentally focussed, strong and determined. Keep learning about new things.

Remember -You can do almost anything you put your mind to. You can swim the deepest ocean and climb the highest peak. You can face adversity and still walk dauntless. You are much more strong than words could ever say.
