Topper's View

I am studying in The Baptist Convent Sr. Sec. School for 9 years. The school's management has helped me a lot in achieving success in education. Not only my teachers but also the whole staff has guided me in my studies. I am very thankful to the whole staff of the school. The school has a very good management system. The school also enables students to nurture their talents through Multiple

Intelligence Clubs. Various competitions and programmes like school assemblies and celebrations are organised in school from time to time, to make the students competitive so that they can do their best in their chosen field.

Parents' Opinion

Mr. & Mrs. Pathak
(Parents of Ramya Pathak)

The School has truly been a platform for my kids, to reach their dreams. BCS has provided them ample opportunities in order to blossom their inherent potentials. It has given them the habit of co-operation, discipline, self-confidence, regularity and punctuality. It has also taught them the best code of conduct. I am really satisfied and want to express my gratitude towards school and highly skilled staff. **Hats off to BCS**
